

EAR IRRIGATION

As some of you may be aware our nurses are not able to do ear irrigation unless they have the training. This is a very specialised area and we are proud to share that Katy Jackson, one of our Nursing Associates, has recently qualified in Ear Irrigation at Level 3.

This is a great achievement and means we now have our own specialist in this area and Katy is available for all houses.

Congratulations Katy -we are proud of you!

LENGTH OF SERVICE

We would like to acknowledge the long term service of some of our dedicated and loyal staff and thank them for all their hard work and commitment shown to our Landermeads family over the years.

Tum Glover
20 Years

Kelly Cook
10 years

GOLD STANDARDS FRAMEWORK—ACCREDITATION

We are proud to share with you that we have successfully achieved accreditation with the Gold Standards Framework.

Thank you to all staff but particularly to Zebbie Chilink, Helen Rain and Maddie Hackney who have worked so hard to produce the evidence for this. GSF set very high standards and it is a recognition of the commitment of staff to ensure family both live and die well. **Congratulations!**

What is the GSF?

The Gold Standards Framework (GSF) is a registered charity and has been the UK's leading training provider for generalist frontline staff in caring for people in the last years of life for over 25 years.

We want to ensure people live well before they die and die well in the place and manner of their choosing. Our vision is to ensure that every person caring for those in their final years of life is trained and accredited to GSF standards to deliver gold standard care.

What they said about us ...

☺ The love that the home has for their residents shines through in the way they describe them as family members rather than residents and the whole ethos of the home relates to improving the quality of life of those living there at all stages of their life journeys. ☺

SUMMER TRIPS OUT THIS MONTH

CANCER RESEARCH UK 'Shine Night Walk'

A few of us ladies here at Landermeads are getting together to support Cancer Research UK by taking part in 'Shine Night Walk'. We will be taking part in a 10k 'night' walk to help raise funds for their life-saving research on Friday 13th September.

We would like to ask if any of you are willing to donate to our 'Fast Walkers' giving page and support the cause. If you are happy to do so, you can either scan the QR code opposite or follow the link below:

Click Here: [FAST WALKERS GIVING PAGE](#)

Thank you in advance from:

Ros Heath, Bev Prescott, Lisa Haywood, Maggie Lodge, Sam Heath, Caroline Bowers
